Scouting The Shops

With Sally

Last night we went to the zoo and we're afraid the pink popcorn gave us indigestion. Because ever since then we've been worrying about what we'd have done if we had been born a lion or a tiger instead of Sally.

POLAR BEAR

If we were a polar bear we wouldn't be so silly as to sit on the cold ice, reaching through a hole for fish. We'd go right down to Farmers Market, where fish are plentiful and cheap.

PEACOCK

"Fine feathers make fine birds," but even if we were a peacock, we'd still play safe and take our regular beauty treatments each week from Templeton Beauty Salon.

ANTELOPE

If we were an antelope, we'd have an inferiority complex. It would be mighty discouraging to see those slick new Willys cars from Mather Brothers passing us up on the home-stretch.

CAMEL

Suppose you were a camel and you were about to start across the desert? What would you do? So would we.

"You'll always wear
A happy face
If you have your fun
At Gelsi's Place."

RABBIT

If we were a rabbit—a nice, juicy, young cottontail rabbit—we'd run just as fast as we could from Milo's Market. If you're tender and plump, they grab you in a minute.

MONKEY

If we were a money, we wouldn't let the world make a money out of us. We'd go to the Daly City Theatre and stock up on a complete set of Wonder Books. Then we'd study and study and study—and when we sat down at

Introducing

Readers of this week's Shopping News will be interested in noting the brief "human interest" stories about several of their own home-town business firms.

These items are only the first of a series of Daly City "success stories," which will bring into the lime-light of public attention the aims and services of every business firm in this community.

Familiarizing residents with the opportunities to be found in their own home business field, the Shopping News inaugurates this series as a service both to the general public and to the merchants of this community.

Elephant on Diet

Waddy, 70-year-old elephant at Franklin park zoo, Boston, is on a diet. Her present limited menu of beets and carrots was selected because Waddy has only two teeth left.

Brazil First 'America'

The name America was first applied to central Brazil, in honor of Amerigo Vespucci, who claimed its discovery. It was first applied to the whole known Western world by Mercator, the geographer, in 1538.

Paint Helps Sales

Seeking to improve distribution of its open bed springs a firm did them in silver aluminum paint. Sales jumped 25 per cent.

Joe Zacheo Is New Grocery Proprietor

Joe Zacheo, for long a successful grocery store proprietor in the Mission district and at San Carlos on the Peninsula, became proprietor this week of Ed Knoll company, 6001 Mission street.

In an interview with a Record representative yesterday, Zacheo revealed a detailed plan to offer new lines of merchandise and additional services to his many customers. Morning fresh fruits and vegetables will be featured daily. A complete line of quality staple foods and delicatessen foods are as near as housewives' telephones. Joe also promised prompt free delivery service.

Joe Zacheo is a disabled American veteran of the World War, a member of the San Mateo County Edmund Parrott chapter, and a member of the American Legion.

Joe Doyle jr., popular young butcher and manager of Ed Knoll meat department, will continue to serve county line housewives with quality meats, priced at distinct savings.

Remodel Daly City Cut Rate Market

Jim Raimondi and Tom Passantino, proprietors of Daly City Cut Rate Market, 6309 Mission street, this week welcomed customers to their newly remodeled store and inaugurated a serve-yourself policy.

Jim and Tom took over Cut Rate Market approximately one year ago and during the past twelve months have built a steadily increasing list of satisfied customers. They feature garden-fresh vegetables, excellent fruits, quality staple lines, and delicatessen items.

Lou Gallenti serves as a full time clerk at Cut Rate Market and on rush days the establishment hires several additional clerks. Telephone orders and free delivery are outstanding advantages offered customers by Cut Rate Market.

Right Men, Lady

Bewildered by American fashions Miss Ruth Wong, a graduate student at Brown university, has decided to wear the clothes of her native China.

Titanic's Memorial

On the banks of the Potomac river in Washington, D. C., stands the Titanic memorial, sculptured by Gertrude Vanderbilt Whitney, in tribute to the men who responded with their lives to the cry of "Women and children first" on board the sinking Titanic. It was donated in 1927 by the Women's Titanic Memorial association.

Japanese Butter Export

Although the Japanese eat little butter, Japan is one of the world's leading butter-exporters.

I wish to thank all those who supported my candidacy for supervisor from the first district. The Daly City and Colma vote was especially gratifying. Thank you.

Church as Stable
The churches of Kilkenny in Ireland have been put to various uses in the past. The cathedral has been a stable, the Franciscan Friary a tennis court, the Black Abbey a courthouse, while the parish church has served both as a barracks and a hospital.

World's Cow Census
Of the 120,000,000 cows in the world, 24,000,000, or 20 per cent, are in the U. S.

American Elevators
There are about 125,000 freight and passenger elevators in American office buildings, hotels and warehouses, each of which travels about 5,000 miles a year.

Foreign Auto Ownership
Of all the countries in the world, only two—Ethiopia and Liberia—have as few cars per person as America did in 1900. They have one auto to 12,000 inhabitants.

SCOUTING THE SHOPS With Sally

(Continued from Page 1)

the piano, no one would be able to laugh at us!

ANT-EATER

If we were an ant-eater we'd change our diet. Why in the name of heaven would anyone want to eat ants when Westlake Market is selling so many luscious fruits this week?

LEOPARD

Can a leopard change his spots? We don't know, but if we were a leopard we'd see Beeson Cleaners in a hurry about those spots.

HYENA

If we were a laughing hyena, we'd stop making such a hideous noise and get some really good music over a radio-phonograph from Byrne's Radio Store.

FOX

If we were a fox, a wily old fox, and the hounds were after us—know what we'd do? We'd zip into McGraw's Pharmacy for some extra-good Anacin and the hounds wouldn't stand a chance.

ZEBRA

If we were a zebra with a lovely striped coat there's only one thing in town we'd be jealous of—the lovely striped bacon at Robertson's Egg store, sliced just right with lots of lean meat. And we'd have some of Robertson's fresh ranch eggs to go with it.

WOLF

If we were the big-bad wolf, we'd put our tail between our legs and slink away in a hurry from any door that traded with Miriam Grocery. "Unfair to Organized Wolves-at-the-Door," we'd howl aloud to the moon.

GIRAFFE

People cut their necks when they shave. The giraffe has a neck. So, if we were a giraffe, we'd travel in a hurry to the Acton Street Barber Shop.

SNAIL

It would be pretty dreadful to be a snail. There is only one kind of snail that people are interested in—the luscious, sweet, fresh, eatable kind that you buy at Geneva Bakery.

HIPPOPOTAMUS

If we were a hippopotamus and didn't know how to spell our name, we wouldn't worry about it. We'd forget our troubles at the Daly City Cut Rate Market where the bushels of bargains make everyone feel happy.

BUFFALO

If we were a buffalo we'd come galloping off of our home on the range in time to see "He Stayed for Breakfast" at the Daly City Theatre.

WILD CAT

One thing we'd steer clear of if we were a wild-cat, and that is a cage made by the Daly City Welding company. Of course we don't know for sure that they make wild-animal cages, but we do know that what they weld stays welded.

MOOSE

If we were a moose we'd shake our antlers and paw the ground and threaten to gore anyone who kept us away from Lucca Ravioli's. And when we finally got inside, we'd make up for all the years when we didn't know what good things Lucca has to eat.

TIGER

If we were a tiger, with a beautiful yellow coat of which we were very proud, we'd always keep it new and fresh by sending it regularly to Daly City Cleaners.

BEAVER

If we were busy as a beaver, we wouldn't wear ourselves to a frazzle cooking Thanksgiving dinner. We'd leave our affairs to take care of themselves, while we feasted at Colonial Cafe.

LION

March may come in like a lion and go out like a lamb, but you'll never know the difference if you paint your house now with H. H. Smith company fine paints.

No Local Tax Levy

Milton, Wash., has adopted a budget for the next year that contains no local tax levies. The town will operate on liquor and highway funds allocated by the state.

Roller Canary Club Sponsors Whist Party

November 14 was the date announced today for the turkey whist which will be sponsored here by the Roller Canary club. Offering fine Thanksgiving birds as prizes, a door prize, roller canaries and other valuable awards, the card event is expected to attract a large crowd.

Playing will begin at 8:15 p. m. at Masonic hall. Refreshments will follow the game. The public is cordially invited to attend.

Milwaukee Screen Tests

Milwaukee motorists arrested on drunken driving charges got "screen tests." Defendants are required to walk a line four inches wide and 20 feet long painted on the floor of the sheriff's office, while a motion picture records the action.

Depth Bomb Invention

The depth bomb, terror of submarines, was invented in 1908 by W. T. Unga, of Sweden.

First Use of Thimbles

Thimbles are said to have been found at Herculaneum and were used by the Chinese at a very early period. Their invention in Europe is traditionally ascribed to Nicholas van Benschoten of Amsterdam in the seventeenth century.

Bette Davis and Charles Boyer bring thrilling drama to "All This and Heaven Too," which will play at the Daly City theatre, Sunday, Monday and Tuesday.

Gorillas Are Bisties
The ferocity of the gorilla, terrifying "boogey" of screen and fiction, has been disproved by explorers. They agree in saying that the animal is extremely shy and difficult to catch sight of, often hiding in the thickest part of the woods on the approach of man.

Nursery-Room Hint
Pictures for children's rooms can be made washable by covering them with white shellac.

Friendship and Success
The making of friends who are real friends is the best token we have of a man's success in life.

Hatless Fad Not New
The hatless fad, which was at its height in '32 and '33, was neither new nor collegiate. It dated back before the American Revolution to the time when English dandies carried their hats in their hands to avoid muzzing their curled and powdered wigs.

Opera Association To Present Paul Robeson

The San Francisco Opera association will open its second annual concert season Tuesday night, November 12, at the War Memorial Opera House when it presents Paul Robeson, the great American negro singer, in a single appearance here. Robeson will be the first of seventeen renowned artists to be offered by the opera association during the current season.

This will be Robeson's first concert appearance with the Opera Association and his first here for several seasons. He will be heard in a program of songs that will evidence the wide range of his repertoire, from negro folk songs to the classics.

The program is as follows: Swing low, sweet chariot, Go down, Moses, Oh, no, John! Night; Mr. Robeson; Adagio, J. S. Bach; Sonatensatz, Brahms; Miss Rockmore; Evening Song, The Orphan, Within Four Walls, After the Battle, Mossorgsky, Mr. Robeson; Andante from Symphonie espagnole, Lalo; Piece en forme de Habanera, Ravel, Requiemos, Cassado; Miss Rockmore; She is Far From the Land, an Eriskay Love Lilt.

Modern Welding Equipment Available

Modern welding equipment has been placed at the disposal of anyone interested in practicing welding by Clarence Paige and son Charles, operators of the Daly City Welding Works. There is an increasing demand for good welders, according to Paige, and the old adage, "Practice makes Perfect," should pave the way for a good welding job.

Paige has resided in Daly City for 16 years. He took over the welding establishment at 7099 Mission street more than a year ago. Both gas and electric welding outfits are available.

Nobody knows de trouble I've seen, Joshua fit de battle ob Jericho, Mr. Robeson.

Tickets for the Robeson concert are now on sale at Sherman, Clay and company. Season tickets for several of the concert groupings of the Opera association attractions are still on sale.

Chewing Gum Base
The basic gum entering into the manufacture of chewing gum is chiefly obtained by coagulating the milk, or latex, of the Sapota tree of Central America.

Japanese Newshays
Japanese newshays carry clusters of bells to supplement their cries of "Wuxty."
